

CYPPC Child Protection Directory

Roles & Responsibilities

Child Protection Forum

The role of the child protection forum is:

1. To help children's services, community care and criminal justice services work together to effectively protect children?
2. To report to the Directorate, feed into the Child Protection Action Plan Task Groups and Children and Young Person's Protection Committee as required
3. To provide a forum to develop, coordinate and review consistent single agency child protection policies, procedures ,practice and training within and between Children's Services, Community Care and Criminal Justice and any reviews of the multi-agency guidance
4. To seek practical ways to continually improve child protection working arrangements within the Social Work Department and between the Department and other agencies
5. To provide a means to monitor and quality assure child protection performance and practice within the Department
